Title of Lesson Plan:

Grades:

Brief Description (1-2 sentence maximum):

Time:

Objectives:

Materials Needed:

Directions (Should be clear but as brief as possible. Please list as “Step 1”, “Step 2”, etc – think of a recipe):

Assessment (Note the formal and informal methods for assessing student learning at the conclusion of the activity):

Extension (Note possible extensions of the project for students who are interested in further exploration. Also note specific differentiations for LEP, exceptional, and gifted students where applicable.):

Educational Content Standards (Align to NC Standard Course of Study. Note appropriate goals and objectives from all integrated subjects. Refer to national standards where applicable.):

Lesson Plan Created By:

School:

Subject Area(s):
The Center for European Studies at UNC at Chapel Hill advances the understanding of the social, political, and economic events that shape contemporary Europe, in particular the European integration project. The Center offers an undergraduate major, an MA program and as a National Resource Center funded by the U.S. Department of Education, the Center develops original teaching materials for use in outreach programs with schools, business, and media organizations. The Center is one of 10 European Union Centers of Excellence funded by the European Commission and also runs the national network of E.U. Centers of Excellence.
