The Center for European Studies at UNC at Chapel Hill advances the understanding of the social, political, and economic events that shape contemporary Europe, in particular the European integration project. The Center offers an undergraduate major, an MA program and as a National Resource Center funded by the U.S. Department of Education, the Center develops original teaching materials for use in outreach programs with schools, business, and media organizations. The Center is one of 10 European Union Centers of Excellence funded by the European Commission and also runs the national network of E.U. Centers of Excellence.
