Dear Participants in the RC19 Meeting:

Here are some final details on the conference:

Registration: Most people have registered online; please come to the desk in the atrium of the Global Education Center before the opening panel to pick up your name tag and a folder. Those of you who have not registered yet can do so in the hour before the opening panel.

Format and timing of presentations: As a reminder, authors do not present their papers - the assigned presenters/ discussants do - and authors then have a chance to respond. We have a minimum of half an hour per paper; this gives the presenter/ discussant 10-12 minutes to present and comment on the paper and the author 5 minutes to respond, which will leave close to 15 minutes for general discussion. Since we have had some cancellations, there are panels with fewer papers, which means that presenters and authors can take a little longer if they need to, but it is important to leave time for general discussion. The panel chairs (who will be listed in the program) will finalize the timing with the panelists at the beginning of the session.

If you plan to show a PowerPoint presentation, please send the file to this email address (RC19_2017@unc.edu) by Tuesday, June 20th.

Exact locations, i.e. room numbers in the Global Education Center, will be listed on the printed program. The Friday dinner will be at Med Deli on Franklin Street, within walking distance of the Global Education Center. There will be no additional cost for conference participants.

Looking forward to welcoming everybody to Chapel Hill,

Evelyne
